

We are reaching out to our valued clients regarding the challenges of dealing with the COVID-19 virus.

We appreciate your patience and support as we adapt in this very fluid situation and assure you our highest priority is the health and well-being of our staff, clients and their families.

We are implementing measures to serve our clients and schedules as we see fit in response to this crisis.

Some of our staff will be working from home whenever possible. We will do our best to prioritize timelines under these circumstances.

We understand face to face time is important, however, we take this situation very seriously and efforts will be made to limit in person meetings where practical, and we will be limiting visits to the office from both clients and vendors.

Please be confident in knowing we will serve you to the best of our ability during this difficult time and look forward to resuming business as usual.

Thank you,

From all of us at Oregon Pacific Construction, Inc.
